- Oeko-Tex certified: Certified according to standard 100 by Oeko-Tex®.
- GRS certified: The recycled fabric is GRS certified, setting not only requirements for the recycled materials used and their traceability, but also good working conditions.

### Sustainability and Production

LIEWOOD rainwear is made from recycled polyester. From every meter of fabric, 24 PET plastic bottles have been reused and spun into yarn.

Using recycled PET instead of new PET reduces the amount of raw oil, ultimately saving the earth's scarce resources, while keeping the same functionality of the fabric.

## Country of Production

China

- Machine wash by 30 degrees
- Wash inside out
- Do not tumble dry
- Do not iron
- Do not bleach
